Customer Reviews

Daughter loves this book, but she asked if she could have a Skye book too, and I was disappointed when I could not locate one. I wish Paw Patrol would be more in tune with the little girl fans it has! Another bummer was finding that the Paw Patrol sheets removed Skye, and there was no corresponding set for little girls that included Skye and Everest. Come on Nickelodeon, get with the program!

Based on the Paw Patrol episode "Pups in a Fog," this book is cute and Chase fans will be especially pleased. Great pictures - my 3 year old son has asked for reading time. Because he is so familiar with the story, he is also "reading along" excitedly and trying to read the characters' names.

My grandson is a huge fan of Paw Patrol on TV. He is learning to read and loves this book. It is helping him with his reading while he is being entertained at the same time. It was a little expensive for a hard-cover book but in our case was worth it.

I purchased this book for my three year old son, who loves everything Paw Patrol. This book is great for beginning readers, and learning sight words. Such a great bonus that it comes with 2 pages of stickers!! We use the stickers as incentives, and he loves it!

Cute book, the story is from one of the episodes, a simplified version but nevertheless, our 4-year old loves reading something that he can also watch. The big selling point for us were the 2 sheets of stickers at the end of the book. My son gets to pick one every time we finish the book and that makes reading it so much more fun. There are a few others in the series that have the sticker sheets, I highly recommend to parents of kids who love stickers. Our son is an avid listener, we read 2-3 books every night and oftentimes repeat favorites multiple times, this one gets 4 stars b/c it does not get picked that often. He did get a bit tired of the story after about the 3rd time reading.

very cute but I love to step into reading books, they help me to keep up with my kids reading levels. Paw Patrol has become my young kids favorite and of course this book is all about Chase. Chase is the police dog in paw patrol, and his favorite saying is Chase is on the case. The book is short enough that young readers don't lose interest or concentration. I gave this to my 4 year old son for Easter.

This is a fun book for Paw Patrol lovers! It is the perfect level for my first grader. He loves Paw Patrol, and he is much more interested in reading when he cares about the characters. The 2 sheets of stickers were a really fun bonus!

My son loves this book, its perfect for him as he is three years old and love the cartoon. He cannot read as yet but he loves when I read it to him. He loves watching the pictures as they are so bright and vibrant on the pages.
