Customer Reviews

I buy this calendar every year and review it. A gift for my daughter who has coffee decor in her kitchen. Pictures actually painted with coffee. Has large squares for writing all your appointments, etc. Made of strong paper & comes in a nice gift envelope.

I love DiPaolo's coffee calendar...this is the fifth year I've chosen it for my wall calendar display frame. It complements my kitchen colors perfectly, isn't cheesy looking, and has decent-size day squares for keeping track of appointments.

Beautiful calendars, great art work and use of colours, bought two for Xmas gifts, less than 6 months away guys !!!

Sturdy paper...I love the monthly "java" style artwork...;)

Love the artwork and buy this calendar each year.

Just as described....I like it.

I really like the artwork and it was perfect for my kitchen BUT it had 2 Januarys, no February, no March, no September, no October, 2 Novembers and 2 Decembers. I was refunded with no trouble at all, didn't even have to return the calendar. I would like to get another one, but I'm scared.

I love the quality of the paper. It's very heavy and sturdy, not like the calendars that are on slick white paper that acts like carbon paper and duplicate what you wrote onto the next month.
