Customer Reviews

Order this every year for my wife. It provides information daily concerning wines, grapes, terminology, & wine regions...she really likes it. This time when it arrived, the plastic stand was completely broken in multiple places. Since she still has the 2014 calendar, I'm just going to use my hot glue gun and attach new calendar to last year's stand. This is easy and much less hassle or effort than returning calendar. Hope they continue this calendar for years to come.

This calendar is beautiful I loved it until I got to April 20th and turned the page , the rest of April was missing and the next date was May 9 & 10 :(
