## Customer Reviews

if you are a My little pony fan but never thought you'd like them in human form before now this is the must read. Legend of Everfree is in my opinion the best of Equestria girls stories and makes it hard for me to wait for the movie itself to become available to see. After 3 movies or 6 books depending how you look at it the new mane 7 is just how I wanted them to be personality wise and friends together. The mysterious happening about camp everfree has plenty of twists and turns the you will not see coming and the new powers of the Equestria girls just brings them that much closer to the ponyville counterparts.
