Creature Matching Game

Synopsis

Mix and match with this classic matching game, which includes 36 jumbo-sized cards featuring Andrew Zuckerman's engaging illustrations of animals familiar and exotic. Children will adore pairing striking photographs of dik-dik antelopes, grizzly bears, and tree frogs as they develop memory, concentration, and identification skills.

Customer Reviews

My preschool class loves this matching game. The cards are bigger than most other games, perfect for younger children. Great way to learn about different animals.

My granddaughter loves playing this game. It engages her and also makes her laugh. What a rewarding experience!
