I purchased this book for my 10 year old grandson who is getting more involved in "magic" since he's been 9 years old. He was quite thrilled with the gift which was one of his Christmas presents

and pretty much ignored his other gifts after he opened this book...he just sat there enthralled reading it. I highly recommend it !

We bought this for our 8 year old, and she enjoyed the book, and learned some good magic illusions, using ordinary household items.

I brought this book for my 8 yr old son. I brought the book used since most children only read the book 2-3 times before moving to another gig. The book was in GREAT CONDITION. My son loves it and now performs magic tricks at birthday parties.

I ordered this for my 7 year old nephew. It is easy to read and follow and everything you need to perform the magic tricks are things you have around the house. This is an excellent book!

My granddaughter loved this book. She is 7 years old. The book is easy to understand with simple language and illustrations. Great gift!

Book review of kids magic secretsThis review is by my 2nd grade student, Colin. By Ioris Bree This book has lots of fun magic secrets. This book is very entertaining. It contains very simple magic. This book can teach you magic. It makes me happy to read it. The main character is the little girl doing the tricks. I hope you like it.

My 7 year granddaughter wanted a magic book and this has been just about right...She can read it and actually do some of 'em w/o adult guidance.
