Knit Your Own Dog: Beagle Kit: Everything You Need To Create Your New Best Friend

Synopsis

From the authors of the beloved Knit Your Own Dog series comes an ingenious kit that contains everything you need to make your own knitted pooch, including yarn, needles, stuffing, and accessories in one handy box. The knitted dog is an ideal pet. There's no feeding, barking, walking, or vet bills, and it will live forever! It's no wonder, then, that when Sally Muir and Joanna Osborne introduced the concept of the knitted dog with their first book, *Knit Your Own Dog*, it was an instant success. They've since followed up with a line of *Knit Your Own* books, including *Knit Your Own Dog: The Second Litter*; *Knit Your Own Cat*; and *Knit Your Own Zoo*. Now, with the *Knit Your Own Dog Kits*, all the materials you need to create your favorite breed are available in one convenient box. Each kit includes a booklet with the unique knitting pattern, plus a brief description of the characteristics of the breed and what makes it so special. Also included is an ample amount of the high-quality yarn to knit the dog, a pair of US 2 (2 3/4 mm) knitting needles, stuffing, pipe cleaners to help make limbs movable and to help the dog stand up, and a sewing needle to finish off your dog. These dogs are surprisingly easy to make?with a few evenings of work, you can have a covetable loyal companion. *Knit Your Own Dog Kits* for beagle, golden retriever, and dachshund are perfect gifts for knitters, dog lovers, or dog-loving knitters! Customer Reviews

This was bought for my son, who knows how to knit and also has a lovable beagle. I think that if he (my son) has time to knit the stuffed beagle, he will enjoy the process and the result. I don't know how the live beagle-in-residence will react.

Terrific little kit - my beagle came out perfectly, just like the pictures. The kit includes everything you need, and the directions had only one mistake - very unusual for a knitting pattern. Love it!

The directions are accurate and it goes together well. The yarn that is included in the kit does not seem to be the nice Rowan yarn from the original pattern book. It's some cheap, low quality yarn. If the child you make it for is just going to look at it, then it's not a problem. However, the child I gave it to played w it a lot, and the yarn got nubby and frayed. Also, the package does not include enough pipe cleaners. You will have to buy more. I like the needles that came in the box. They were made of very pointy wood.

I made this for my sister-in-law. She has always had beagles. It is an adorable dog and the kit is the most complete I have ever bought. Nobody includes the stuffing and the needles.
