## Customer Reviews

These mazes have nice simple illustrations and are fun for kids older than 5 years old. Would certainly purchase again!

Keeps my 6 year old busy!

These are easy enough but they make the boy really work at them. He has attention problems and these keep him focused until he makes it. Then he goes back and does them again with a different colored pencil to make sure he got it right.

Excellent way to teach the Gospel message to kids! Purchased as stocking stuffers, this book was filled with fun Bible facts in an easy to understand language for kids. Colorful graphics and good price for the product.

I bought this for my 4.5 and 6 yr old dds. They love them! It is fun to have activities to go along with a Bible story we read. These are of a different look than basic mazes and seeks that you may find in

traditional books. I really love this book! I am excited to have my girls work through them.:)
