The Mystery Of The Golden Crocodile: An Egyptian Maze Adventure (Explorers Club)

Synopsis

Oh, no: mummies have abducted an archeology student! And it's up to young solvers to save him by finding a path through the perilous desert. The quest begins with clue-laden letters from The Explorer's Club asking for help in finding the missing archeologist. But what makes this collection extra fun and challenging is that the maze on each lavishly illustrated spread connects to the others in the book, creating, in essence, one giant maze. In order to solve the mystery, readers will have to flip back and forth through the pages. Good luck!
