If you love minecraft, then, you definitely don't want to miss this. I enjoyed reading the diaries, which are well written and easy to read. The dairies and the stories (although unofficial) contained within feel like an extension of minecraft. The more I read, the more I felt like playing minecraft.

This bundle of three minecraft books was great. I really enjoy it! I didn't stop laugh! These little stories were very funny. The author describes the scenes with an amazing way and the stories are well-written. It is a very economic bundle. The kid was really a little hero!

The three MINECRAFT short stories in this book are engaging, well written and extremely creative. Once I started reading, I could not take my eyes off the book till it was completely done.

I really liked that it was 3 books for the price of one! My kids also liked the stories when I read it to them. My son is a big fan of minecraft so this was a good deal.

Creative adaptation from the popular game Minecraft. Fun and easy to read, it will be enjoyable reading more of this with friends and children.

I liked this book very much , nice story and the characters btw book one was my favorite one. :)

To all MINECRAFT lovers - this book is for you.Three in one is for sure a good deal.

This book is pretty plain. The cover looks really nice but there are no pictures. My 11 year old still

read the book and enjoyed the stories.
