Customer Reviews

My son loved this book and the included puzzle. The game that went along with the book was also fun, too. Great gift for any little boy who loves construction trucks. Fun story, too.

my kids just love this puzzle and now I have to buy 4 more for their cousins, and the drawings are also cute, you're kids will not be disappointed with this for a gift.

This is a giant puzzle book with games and a story. Problem is, it didn't have the puzzle pieces? Very disappointed. Won't buy from this seller again.
