Famous Bears And Friends: One Hundred Years Of Teddy Bear Stories, Poems

Synopsis

One hundred years ago, Teddy Roosevelt refused to shoot a helpless bear. A toy maker in Brooklyn honored the noble act by creating a plush, stuffed toy with movable arms and legs and a bright, bearish face. The teddy bear was born. A century later this bear has inspired beloved stories, a hit song, and numerous silly, sad, and loving poems, many of which are gathered here in a big, full-color treasury. The collection includes a chapter each from Winnie-the-Pooh and A Bear Called Paddington; the full text of Corduroy; poems by Shel Silverstein, Judith Viorst, A. A. Milne, and others; a song; and a lively illustrated history of the world's favorite toy.

Book Information

Customer Reviews

This is a beautifully written and illustrated book. Wonderful to read to toddlers and younger children and a treat for older children (of all ages). The Teddy Roosevelt story is worth the whole book.

This was a great book. It tells you everything from the history of teddy bears to little bear legends. I love teddy bears and found this book very interesting. My only complaint was that it was a tad short. If you love teddy bears then you'll love this book. It's great for any age to enjoy!

This book is a great read-aloud. My son was drawn to his "favorite" bears like Pooh and Paddington, then was happy to stick around and learn about actual, unusual teddy bears. We loved the story

about the one on the Titanic.
