Girl's Guide To DIY Fashion: Design & Sew 5 Complete Outfits • Mood Boards • Fashion Sketching • Choosing Fabric • Adding Style

Synopsis

Give your resident young designer all the tools she needs to create five cute outfits that will take her from home to school to hanging out and back again. From the owner of the NYC sewing studio Pins & Needles comes the definitive guide to mood boards, fashion design, and sewing for girls. The book encourages tweens and teens to sketch their own designs as a way to experiment with color, fabrics, and styles. From sweatshirts and sneakers to jeggings and tights, girls will easily learn how to create hip, trendy outfits and accessories and put their own unique stamp on everything they wear.

Customer Reviews

A fabulous book and great gift idea for the girl that has too much! What a breath of fresh air. My niece and young cousins will be getting a copy and who knows perhaps one will be a fashion designer some day! I have to admit I enjoyed every page and now I am ready to make my own project.

Great Great book- my daughters love the different projects! Instructions are concise and very easy to follow. We love the pictures and illustrations throughout. This book is great for any girl who wants to sew and be creative!

I bought this for my 9 year old daughter and within days she was creating beautiful projects all by herself. Kept her busy for hours. The book is so well-written, easy to follow and amazing colorful photos throughout. I highly recommend this book for anyone who wants to become more crafty and creative. It is for all ages.

I found this to be a great book for young sewers! It explains the basics of sewing with the machine and is filled with fun projects every kid would love. A real bonus...the book includes patterns in the back and has clear instructions on how to pick your correct size. Don't hesitate to get this for your designer to be!

What a great book! The projects were easy to follow, even for a nine year old! It really tickled her creative mind and I recommend this book for kids of all ages. A must have!

Such a great book for any child that wants to learn to sew! I bought this for my 14 yr old daughter. She has made the coolest things. And very easy for her to follow.

My daughter loved all of the unique projects in this book. It is well written with easy to follow directions. A must-have for any DIY loving child!
