Customer Reviews

We buy the Lonely Planet calendar for my daughter every year. She suffers from "wanderlust" and if not actually in all of these wonderful and exotic places, she can enjoy the pictures and explanations.....

This is by far my favorite calendar! I have to search to find one the last few years. I love the places they feature. Sometimes I find a new travel destination!

I like the calendar but I paid something like \$25 for it and it came after 1/1/13 from England. I won't do that again.
