Customer Reviews

This is an interesting story about a boy finding dinosaur bones on his ranch. Although it's about dinosaurs which children love , it is also informative and provides some interesting facts about dinosaurs and dinosaur bones.

My nephew, who is in first grade, loves this book and has enjoyed reading it since I got it for him for Christmas!

My 7 year old grandson loved this book. He is interested in Dinosaurs and this book covers both dinosaur fossils and a bit of a look at human nature as well.

Wonderful experience - easy transaction, fast delivery, all as hoped & expected.

My Grandson really liked the story, and I enjoyed it too. Nice illustrations.
