Lulu And The Brontosaurus

Synopsis

Lulu is gonna, I'm gonna, I'm gonna, gonna, get a bronto-bronto-bronto-bronto-saurus for a pet! Lulu is so accustomed to getting what she wants that when her parents deny her birthday request for a brontosaurus, she throws a four-day temper tantrum and then storms off into the forest in search of the dinosaur she clearly deserves. Lulu isn't particularly impressed with the snake, tiger, and bear she encounters, but then she finds him—a beautiful, long-necked, graceful brontosaurus. Mr. B completely agrees with Lulu that having a pet would be a wonderful thing, and Lulu thinks she's gotten her birthday wish at last. Until she realizes that Mr. Brontosaurus thinks that she would make an ideal pet for him! How will Lulu ever get out of this sticky situation without throwing a fit (Mr. B does not respond well to those), or using force (Mr. B is much too tall to bonk on the head with her suitcase), or smushing her pickle sandwich? Beloved children's author Judith Viorst and Caldecott-winning illustrator Lane Smith offer a fresh and funny tale with several surprise endings!

Lulu wants nothing other than a pet brontosaurus for her birthday. When her parents tell her that she won't be getting one. She gets very upset. She throws a fit, screams, yells, pounds the ground - does anything and everything for her parents to relent and get her her pet brontosaurus. But her

parents are having none of it. They refuse to get her what she wants. Well Lulu is having none of that. She feels that if her parents won't bring her a pet brontosaurus then she'll just have to get her own pet brontosaurus. So she sets off on an adventure into the forest to find herself her new pet, all the way singing: I'm gonna, I'm gonna, I'm gonna, gonna, get a bronto-bronto-bronto-bronto-saurus for a pet! In the forest Lulu comes across a number of animals: a snake, a tiger, a bear but none of them particularly impress her. Until she finally finds him... her brontosaurus. But she soon realizes that Mr. Brontosaurus has his own plans... he thinks she'll make the perfect pet for him! What is Lulu to do? This is the perfect read-aloud for children 4 and up. With Ms. Viorst's witty storytelling and Lane Smith's charming illustrations you have a pleasant and clever story. I thought Ms. Viorst's attitude shone perfectly throughout Lulu's pages - on more than one occasion saying that since it's her story, it is more than perfect for a Brontosaurus to be living in the forest. Originally I read this for myself and then I read it to my children and I can't begin to describe the joy and wonder in their little faces as I read this to them. Not only is it a funny and clever story but it is also a story with a good moral. It teaches children that you can't always have what you want but especially to listen to your parents.
