Customer Reviews

Such a disappointment!!! I love the Gooseberry Patch cookbooks and was looking forward to lots of new recipes. Didn't happen. There were not enough pages. It seemed like everything was squeezed together. I didn't even have room to get in all my appointments. So - - I donated it to the book sale and bought a Mary Engelbreit calendar. Each calendar page has a facing page with a M.E. picture.

I love the Gooseberry Patch appointment calendar. I use it to keep track of my budget, among other things, and the cute illustrations make it feel like fun. I buy this every year.

Love these calendars. I use them every year, but get them early because the price goes up.

I love this so much that I buy one every year for who knows how many years. It's great for writing down your daily appt.'s or when you need to remember things that have to get done.
