Customer Reviews

Perfect stocking stuffer for any Pooh lover! My daughter wanted a "planner" to be just like me and I didn't want to spend a bunch of money on one. This was perfect and it will last her for two years! Great quality and value - you can't beat that!

Very cute and it was a much lower price than any I saw at the store. I buy a new pocket planner every year or every two years depending on how well they last. I had been searching for weeks for a new one in the stores with no luck. They were nowhere near as cute and twice the price. I love this little Winnie The Pooh planner. It's perfect.

Winnie the Pooh is my favorite character. I have a collection of Winnie the Pooh so, of course, without a doubt I had to buy this pocket planner. Just adorable. It is compact and handy enough to carry in my purse.

Cute. Kinda flimsy but it'll do. Comes in a plastic cover with an elastic band to hold your place.

It's just as expected. compact and handy, very lightweight - feels like I'm not carrying a planner. This will certainly help me to plan my days for the next 2 years.

Nice day planner... not a lot of space for notes but good for basic appt. Info on the date. Nicely constructed and the band to save your place is useful....

Like it very cute and it keeps me organized and it does overwhelmed is little and it does not have to much pages.

I love it!..makes me smile every time I take it out of my purse. The elastic holder is perfect !
