Ibaby: On The Go

Synopsis

Little ones will love finding the appropriate slots for the shaped pieces in this adorable book. Ribbon - tethered play pieces fit easily into pockets on each spread and store at the front of the book between readings. Babies choose the appropriate vehicle for each page and slip the boat into the water, the plane into the sky and the train onto the tracks in this fun playtime book.

Grade Level: Preschool and up

Customer Reviews

My son LOVES Goodnight, Baby - a similar book from ibaby, so I saw this and ordered it hoping it would be comparable. It does have the same physical components - pictures on strings that get placed where they belong - but the text is terrible. Each set of pages has only one, very simple sentence. I make up sound effects and additional text, which he likes, but I was disappointed by the book.
