British Library Desk Diary 2012: Historic Maps In Detail

Synopsis

The British Library's collection of maps is unrivalled in its historical and geographical scope. Many maps contain extraordinary details of the places they depict and the way of life at the time of drawing. Illustrations of ships and marketplaces denote trade and money, those of crime and punishment reinforce law and order, and those of buildings, churches and palaces display wealth and patronage. The British Library Pocket Diary 2012 focuses on the interesting details that might often be missed when viewing the map in its entirety, and thereby offers a unique glimpse into the past. Illustrated in colour throughout with a week to a view, the diary is also available in pocket format.

Book Information

Calendar: 112 pages

Publisher: Frances Lincoln (July 12, 2011)

Language: English

ISBN-10: 0711232016

ISBN-13: 978-0711232013

Product Dimensions: 9.9 x 8 x 1 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 4.0 out of 5 stars See all reviews (1 customer review)

Customer Reviews

This is a nice "book" b/c that's how it's presented - as a hardback & not a spiral bound or easily opened journal. The quality is excellent but I'm returning mine since it's not what I was expecting. I thought, from the description, this would highlight historic maps of Great Britain through the years. Wrong. Here's a smattering: Southern Hemisphere engraving, 1657; China, 1800; Constellation Cetus, 1834; Mexico, 1600...As you can see, there's a lot of variety. Again, this is a well done item & might make a great gift for Map lovers but it didn't feature historic England as I'd hoped.
