Customer Reviews

After using Brown Trout calendars for years, we were very disappointed with the 2011 editions; muddy colors and printing and strange configuration of previous, current, and next month dates. We had decided to switch to another supplier for 2012. However, when I took a look at the Brown Trout 2012 editions, I saw that they had switched printers and again were offering attractive, legible calendars so they are again our preferred supplier.

I've been using BrownTrout Engagement Calendars for a few years. I write in mine daily, & am really disappointed that they have chosen to remove the writing lines. I don't want a lopsided untidy entry each day, so I will have to spend hours going thru and putting in lines. I will not buy from BrownTrout again.

My wife and I have shared a fascination with lighthouses for over 20 years. We have traveled all over the US taking pictures of them whenever they were nearby. We have been using the Lighthouses calendar for over 15 years now. We both like the fact that they start on the first day of the week, Sunday, and not on Monday. They also have ample room for writing in reminders of appointments and travel times. We will continue to purchase this calendar in the future.

My good friend loves lighthouses and needs an engagement book. This is nice because it has so many photos but sadly the space to write appointments in is very small and limited. Guess he'll

need to use lots of abbreviations.

A gift for my Mother, but I know she is going to love it..and it has her favorite light house in it, that was a special gift.
