## **Customer Reviews**

I bought these game cards for my 4th-5th grade Sunday School class. I thought they might be a little juvenile for this age group, but they loved playing snap! I used them at the beginning of class while all the kids were coming in and those that were late felt bad that they couldn't play. All the students wanted to play again at the end of class. I haven't used these cards yet as a matching game, but I am sure they would like playing that also.

My kids love playing this game with me. It is a great way to teach basic Bible stories while having fun!

Great product and grandson loves it!!
