WOW! Far more than I expected! First off there are six types of cards and they can be mix and matched used a number of ways. If you buy this set and an alphabet set of your choice, then you really have all the flashcards you need for awhile. 1. What goes together? or for some pairings where do they live?-spider/web-dog/doghouse-bird/nest-farm girl/barn/goat-fireman/firetruck-bee/flower (though i would have preferred a hive with honey) 2. Which words rhyme?-bear, pear,-goat, boat,-cat, hat-frog, log, dog-sled, bed, red-cake, snake 3. How many do you see?-1 mouse (really wish they also included a house card for ryhming and to give a person or cat a home-2 turtles-3 seahorses-4 owls-5 ducks-6 lady bugs-7 newts-8 snails-9 goldfish-10 crows/black birds 4. What color is this?- yellow crayon- green paint on green paintbrush- red marker- blue crayon- orange crayon- purple marker- brown paint on brown paintbrush- white paint on white paintbrush- black marker then can go through all the other cards and name the colors for any object you want... the shapes work best for new learners as there are only 2 colors present on each card. 5. What direction is this?- up balloon- down submarine- boy points left- girl points right(also can include bee flying up) 6. What shape is this?
