Customer Reviews

This book got our 7 year old laughing so hard, she had tears in her eyes. She carried the book around for days offering quips to anyone who would listen. We've heard them all and they're still funny, mostly because she laughs so hard just reading them to us.

Great book for kids and anyone that really loves Finding Dory.

A bit smaller than expected (my fault for not looking for dimensions) and not in color. Kids will probably like it but as part of a gift I wish I'd picked something else.

Knock on the door to knock-knock jokes and enjoy playful puns with Dory!

We just went to see Dory and I gave it to my grand daughter who enjoyed reading the jokes to us

Both my kids loved it and we've bought two extra copies as gifts!

Most of the jokes are contrived and just not funny.

kids love it
