Customer Reviews

Cruise Industry News makes the best cruise calendars! The shots are fantastic--ships from around the world calling in port and on the open seas. I have it up in my office, and it always makes me feel like I'm on vacation.

This is an awesome calendar! The photos are really fun to look at. Spices up my desk at work. I also love the notes section.

Let the buyer beware. I figured for the price I would be getting a higher quality calendar and didn't really check out the spec's. My fault. Having said that, this calendar is way overpriced for what you get. It is basically the same quality and size that you would get free from your insurance agent. I also will be buying a new calendar somewhere else.

Lots of fun to have and reminisce my travels!
