## Customer Reviews

I would have preferred larger date boxes to write in appointments, etc. I only bought this calendar because Sail Magazine seems to have stopped producing their annual wall calendar, which was perfect in terms of layout. No issue with the photographs though, they are very pleasant to watch.

Warning...will make you want to be on your sailboat whenever you look at it...dangerous to have at work. Onne van der Wal's images are outstanding. You will not be disappointed.
