Customer Reviews

We have been getting this calendar for years. It is absolutely beautiful. Fabulous pictures of sailing vessels in extraordinary locations and nice charts on the bottom page where the calendar is. Highly recommend!

This is probably the fifth or sixth year I've bought this calendar for my office. I don't own a sailboat, but I've been on the ocean on one. This calendar always takes me to distant dream lands. Each month has a map, layered behind the dates, of each of the exotic place in the picture shown above. I'll keep buying them as long as they keep printing them.

This calendar is a must buy for myself every year and I give it as a gift every year as well. I love the chart backgrounds to the day/date pages, and the photography is spectacular. I especially like wilder ocean sailing photographs, and this year's numerous entries from the northern hemisphere suit my preferences more than some previous years' stronger focus on Polynesian/tropical scenes. I enjoy everything that Ferenc Mate puts his hand to and also recommend him as author, but I hope

he keeps producing calendars for many years to come.

I have been giving this calendar to my husband every Christmas for a long time. Sadly, this year's photo's are somewhat dark. Past calendars have offered vista's you wanted to visit. This year, not the case. However, I can assure you my tradition will live on as long as Ferenc publishes these calendars.

Perfect doesn't disappoint year after year! Will continue to purchase! Wish I would get a reminder every year to purchase.

I've been a fan for 15 years. Never look ahead, it is always been a monthly pleasure to turn to brilliant new nautical photo.

Lovely photography, and I like the small touch of using a nautical map watermark on each page. I keep this hanging over my desk at work, and it helps me remember the reason I'm working...

We buy two of these every year. As sailors we love it. The pictures all bring beauty and serenity into our day, something I think anyone would appreciate. The quality is excellent.
