Customer Reviews

I love Andy Warhol. I like all the art and photos in this calendar. However, I'm very disappointed with the actual calendar! What possessed you to fill each square with the DATE? No place to write an appointment reminder without it being impossible to read and looking messy. Very disappointing. I will have had to replace it for my kitchen wall by February.

Miss the posters from years past but still a great investment.

5th year for my Andy Warhol fix on my office wall. Thanks!
