Nice tour of a park-a-month. Bigger size wall calendar, so allow wall space for it (e.g. 1' x 3' open). I like the large black lettering for the days of the month so I can see it across my office from where I sit at my desk (e.g. 10 feet away). This is repeat purchase for us from last year - the one we chose, vs. those that we were gifted from other sources.

Beautiful calendar with lots of colorful photos from parks all over. I like that it has descriptions for each photo too, I learn something new all the time! Plenty of space to write your daily tasks or meetings description. Great calendar! I will be purchasing their next calendar year when it comes out!

Beautiful calendar. Gave to my granddaughter who wanted a calendar with nature pictures. Like that

I may help in some small way helping out a good institution.

Lovely calendar with lot of very nice small pictures for every day of the year. Why pay \$15.00 for a calendar when you can get this one for \$7.00?

This is an outstanding calendar, the best wall calendar I have seen!

Everyone admires this calendar. It's big enough to have a nice big box to write in every day of the month, plus pictures for almost every day to give you something aesthetic to look at!

Arrived on time and well packaged! The picture a day really gives a good insight into the animals, plants, and scenes at each of the month's national parks. Love this calendar!

Great calendar with lots of pictures. Bought for my father for Christmas 2013, and my mom requested another for Christmas 2014.
