Customer Reviews

I bought this as a gift for my lady. She kept it at work, so I only know what she has said about it. She has enjoyed it. Some of the quotes are pretty cheesy, as you might imagine, but some of them were pretty powerful, or at least resonated with her at that moment on that day. She's had no complaints, though.

This is one of my favorite inspirational gifts to give. It puts a smile on your face each day.

Every page is super colorful, and the quotes are nicely chosen. The words and fonts are cheerful and colorful as well, which matches the message itself. Also, I really like that on the side, you get the "calendar view" of the entire month, so that it's more than just a daily calendar.

not wild about this calendar. The Chicken Soup for the Soul series is more relatable for most people

I think. The friend for whom I purchased the seize the day calendar does not understand many of the entries. Disappointing gift.

I love inspirational calendars and this one is great, I had one last year and looked forward to this years!

Pretty pages to look at, but that's all, doesn't make my day better to look at it and the advice is lightweight, not very deep or meaningful. Doubt that I will buy again next year. I'm enjoying my Don't Sweat the Small Stuff calendar much, much more.

Nice quotes on each page. Good variety. Recommend this desk calendar.

Great calendar, product arrived on time!
