# The Official Adventure Guide: Ash's Quest From Kanto To Kalos (Pokemon)

## Synopsis

2016 marks the 20th anniversary of Pokémon! To celebrate, we're reliving all the best stops on beloved Trainer Ash Ketchum's Pokémon quest. The Pokémon Encyclopedia will tell Ash's complete story from the first TV season in Kanto till the present. Meet all of Ash's coolest Pokémon and his infamous rival Trainers, discover all the badges he's won, and explore each Pokémon region in all its glory.

## Book Information

Series: Pokemon

Hardcover: 160 pages

Publisher: Scholastic Inc. (October 27, 2015)

Language: English

ISBN-10: 0545849357

ISBN-13: 978-0545849357

Product Dimensions: 7.1 x 0.6 x 9.1 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (18 customer reviews)

Best Sellers Rank: #23,447 in Books (See Top 100 in Books) [#33 in Books > Children's Books > Activities, Crafts & Games > Games > Video & Electronic](#) [#1322 in Books > Children's Books > Action & Adventure](#)

Age Range: 7 - 10 years

Grade Level: 2 - 5

## Customer Reviews

(The 14 reviews prior to this had 88 words total, for an average of 6.3 words per review. If you want a more detailed review that has more words than all the other reviews put together, read on.)The book is a bit disconcerting because it jumps back and forth between stories about Ash (a "ten-year-old boy on a mission to become a Pokémon Master") and facts about Pokémon. For example, pages 4-9 contain a short story about Ash's first meeting Pikachu in Professor Oak's laboratory. Then pages 10-31 describe a couple dozen people (or types of people) in the Pokemon universe and a dozen Kanto Pokémon. Then pages 32-35 have a short story about "How Brock and Ash Became Buds." And so on. There is no index, and the organization of material is semi-random (as opposed to alphabetical), so the book's usefulness as a reference work is limited. Although Pokémon fans may like reading about Kanto, Johto, Hoenn, Sinnoh, Unova, and

Kalos, the book is likely to be confusing to everyone else. Non-experts wanting engaging stories can turn to Pokémon Adventures (7 Volume Set) and the like; those wanting facts might pick up a book such as Pokémon Deluxe Essential Handbook: The Need-to-Know Stats and Facts on Over 700 Pokémon. Overall, three stars.

I'm more of an original series person so I enjoyed looking at and reading about the early episodes. I do wish they had more artwork on that part of the show but the book does a good job of summarizing major plot points.

Got what I ordered and am highly satisfied!

Very nice book. It is hardcoverd with lots of colorful pictures and writing.

Great read and very informative on the different types of Pokemon.

My special need grandson enjoy "studying" Pockemon characters!

My sons love Pokemon, and this is an awesome book!

My nephew loves it. He received it for Christmas.
