## Customer Reviews

Originally bought this for my elderly mother, however, I decided to keep it and give her another one. Didn't catch this in the pictures, but the calendar weeks start on Monday not Sunday, something to pay attention to if you're not used to it. Also, while there are a few pages in the back for "notes," but the "tip calculator," "year overview" and "important dates pages" mentioned in the product description don't seem to be included.

These People were amazing They wrote a note saying that they didnt have this one so they gave me a bird one AND a flower 1/2 of a normal calendar size flower calendar.

i like it and it's useful, but i like the week to start with sunday, not monday

I'm old fashioned and like using a real calendar. Fits perfect in my purse.
