## Customer Reviews

I recently purchased the calendar looking for a gag gift for the office. It turns out this is literally a years worth of poo related material. It's very informational but not really super appropriate for the office, lol.

Got this in a white elephant and used it all year for 2015. Fascinating read while on the throne. Loved the little droppings of information it provided. Thankfully not scratch and sniff. Made pooping fun again!!! A++

Hilarious gift that I have been purchasing as a family joke for years. Doesn't seem to repeat anything too frequently and is interesting to all who have the morbid curiosity.

Very informative. Not my first time buying it. I initially bought it for me, then gave it to my cousin, then bought another for me. That's how much I love it!

Wording is great and you learn a thing or two about poop! Some days reading are better then other,

but good/funny info!
