Customer Reviews

My friend is in the last stages of terminal cancer and her wish was to see the wonderful pictures of Arizona again. I surprised her with the 2014 calendar so she could enjoy it in her last days. It cheered her up so much. So nice to see her perk up and smile. I'm so glad I got it for her.

I make a special effort every year to order an Arizona Highways classic wall calendar. Size is perfect, photos are outstanding, relevant dates well recorded, plenty of room for remarks for the day, extreme quality paper, all-around quality product.

I choose you're calendars for their beauty and large size. It is great to have space to make notes, appointment, ect. It seems that this year's calendar has shrunk considerably, so sad, could have used the room, now it is gone:0(Robert A Smith

The photography in this calendar takes your breath away! Growing up in Arizona, I can say first hand, the pictures are real! Arizona is a beautiful state, and this calendar captures its magic! Makes me homesick!

I've used this calendar for years and like that the spaces are large enough to make daily notes which I refer back to in years to come. I like that it's spiral bound and will lay flat in my drawer.

The photographs in this calendar are spectacular. Every year I order it and every year it seems better than the last. Originally, my sister gave it to me as a Christmas gift.

The photography is excellent, paper quality is very good as well and the size is perfect. I give this as a gift and every year my friend asks for the same thing.

This is the only calendar I buy every year. I like the spiral bound version because it lays flat on the wall. Gorgeous Arizona photos are a plus too.
