This calendar is a month-to-month treat! Tad's artistic eye and technical skill make these photographs the best I have ever seen! In his bio, Tad describes his passion for taking pictures that "hold the feeling of the place" and evoke an emotional response, connecting the viewer to the beauty of the Rocky Mountains. He has succeeded! (Check out May...one of my favorite photographs!)

very nice, the rocky mountaing can't get rockier than this!

Great Calendar. Very useful with large format boxes to write things into. Photos are very good. Very happy with this.
