Customer Reviews

Great wall calendar, the artwork is done by Victoria Frances. Bought a few of these to give to folks and extras for poster frames. If you like gothic, medieval fantasy, vampire lore, or fantasy in general, this is a great collection. Buy a couple or so, one for wall calendar, one for framing on wall or office, one for collecting fantasy artworks, or give as gifts to people. At the time, price was very reasonable. Guess we just wait for the 2017 issue to come out. Anyways, really nice calendar. If you do search on again you may find some left that are very cheap.

Super Fast shipping well packaged this calendar is a Christmas present for my wife she loves these kind of calendars so do I. I find it very hauntingly beautiful you don't have to be gothic to enjoy it either I know I am not I just appreciate all kinds of art and especially this kind I would definitely recommend that you check out this calendar.

Always loved the artwork of Victoria Frances. This calendar has not disappointed me. A gorgeous addition to my wall, and the squares are big enough for me to write down appointment reminders,

which is a big plus in my book.

I just received my beautiful calendar in the mail, I love the art work so much. I can't wait too hang it up on my wall.

Nice, thick quality pages, not too thin like some other cheap calendars. Great artwork and for fans of Victoria I like this years' 2016 better than the 2015, just saying.

Great art work. Have not had a gothic art calendar in over 20 years. Was overdue. Not disappointed. Beautiful work. Very unique calendar piece.

Love the art, very talented. Hope this artist eventually puts out books and posters. Going in my collection when the year is up!

Christmas present for the wife. She is loving the art so far this year. Thank you for offering a great calendar!
