Customer Reviews

All the girls are lovely and this year appears to have better shots than even last year. Kinda upset they put in only one ebony girl and no Asians at all. If they could only find one, fine but I think it's wrong to include her just to meet a standard. She's really lovely though just the same as the one last year. Kate Upton is amazing and Natasha Barnard is as well.

My name is John Day and I think the Sports Illustrated 2014 Swimsuit Calendar is exceptional because it features pictures of some of my favorite models. This calendar makes me look forward to future Sports Illustrated Swimsuit Calendars, too.

The images are great everything is nice and crisp. The only problem is that the boxes for dates are small and get smaller towards the end of the month. When using it to write important dates on the calendar it gets tedious.

If you're in the market for a 2014 calendar, the sports illustrated 2014 is a fine choice. I like how each model has two pictures on the calendar, a large one on top and a smaller one near the bottom.

the calender needs to have darker numbers,there to light and need to be darker to make them easier to read. need a 12 month Kate only calender. thank you

It was for my son, he told me the ladies are lovely in the calendar. It is something he is enjoying to own makes his daily monitoring of day a lot nicer.

Nice calendar that it was gift for Christmas. The quality of paper and sharpens of pictures are stunning. As best as in comes.

This calendar was given as a Christmas gift and the person receiving it was very happy and likes the calendar very much.
