The Kindle version is a nice, 1 page-a-day calendar. On Kindle, the print size is no different than a book. The daily Bible verses are from various translations. They may be highlighted, saved, or shared online as with Kindle books! It will be nice to have the verse of the day be the first thing i see when turning on the Kindle device.

I know these say "mini" in the title - but I didn't realize quite how small they are. The text is slightly hard to read because of the size. I apparently didn't read the description enough before ordering them to realize the size. So just wanted to warn other buyers to be prepared for the size. :)

This calendar has great verses but is way too small. I bought this for my handicapped uncle who actually has rather good eyesight but the words are so small he struggles.... The writing is too small for most people.

Smaller than what I expected but overall very nice verses for everyday reading. Also has a calendar so two in one!! Love it a lot just wish it had been bigger!
