I was really hoping for a wider representation of Zelda titles. There are 17 Zelda canon games plus a bunch of ports and re-renders to sell new consoles, but this calendar only has the last 5 games represented, and 2 of them are re-renders: Wind Waker HD (4 pages) Spirit Tracks (2 pages) A Link between Worlds (2 pages) Skyward Sword (1 page) Ocarina of Time 3D (3 pages)

Would of enjoyed this more If it had a wider range of games. Love wind waker, but too much of the art was from it!

I buy this calendar every year as a gift to my brother. The pictures are great but the backgrounds are always bland. It would be a lot better if the backgrounds were pictures from the games instead of solid colors.

Any gamer or legend of Zelda fan is likely to go for this calendar but what I loved was the color, it's bright, the paper is thick and its obviously well made, a practical fun gift for a friend and great quality.

I got this calendar for Christmas, as I really like the 2013 Zelda calendar. The art work is pretty good, but a lot of the pages are for Wind Waker..the one Zelda game I wasn't a huge fan of. I think the 2013 version was better, but I do like this one and it is up in my room now.

My son loves his Zelda calendar. This is the second year in a row that I've ordered one for him and he's very happy with it. Beautiful, vibrant pictures and good quality. Just a great calendar for any Legend of Zelda fan. Extremely happy with purchase!

The cover is just as beautiful as pictured. The inside is a bit bland but still pretty and a great gift. Big too :)

My son loves it! We are waiting for 2015 year, to start using it in full pages. The drawings are amazing! It has four months of the end of 2014 years, which helps him as well.
