Sometimes funny but often informative -- and always entertaining! My wife and I look forward to advancing the calendar every day because we know the tidbits of information will provide something interesting to muse upon each morning.

Love these calendars! We do keep it in the bathroom and read it everyday. I especially like the little trivia nuggets on the bottom of the pages. This is our 7th year of buying this calendar and will buy it for many years more!

Always a hit! I buy these for all the men in the family every year. The first one was ordered years ago for Uncle John from his nieces. The tradition expanded from there. Uncles, Husband, son-in-laws, friends...they all get one and have it in their bathrooms for a daily treat.

We get one every year. Always look forward to seeing the next day's "read." Always interesting, intelligent, fun, a great read for everyone in the family. (We keeps ours in the bathroom....where

else?) I've had other page a days over the years, and most are boring by about February..This is the only one I have bought consistently for the past 10 years or so.

We get these readers every year for family and friends,great reading

Something fun or interesting to read every day.

Fun daily trivia draw from the Uncle John's Bathroom Readers. My only quibble is that occassionally I find apparent mistakes where the facts may have changed since the original source was written.

I buy this calendar every year. Sometimes it makes you laugh, sometimes it educates you, and sometimes you are left wondering where on earth they get these crazy stories from. I love it!
