These are absolute beautiful prints of the Native Americans in tribal attire that demand awe and respect. They are all for permanent keeping to be framed. It is art at its finest. I plan to purchase from JD Challenger calendars for years to come as long as he paints for us who need his artwork in our homes of these marvelous people. He has captured their heritage, dignity, and great honor.

The Ghost Dance is a very sacred dance that most people are unaware of but its significance and the beauty of JD Challenger's work insure that the dance, the dancers and those that innocently were slaughtered because of the dance being misunderstood will live on always in all their true glory and sacredness.

This is just a beautiful calendar - I love Challenger's paintings, and that is why I ordered the calendar. Large squares to write things in. Will order another one for 2014

I have been a fan of JD Challenger art and missed buying 2013 when the calendar came out. I was able to purchase at and received it super quick.

Not my favorite style of art, but beautiful nonetheless and represents native American culture in a very spiritual way as it should be.
