Kids Fun & Easy Connect The Dots - Vol. 3 (Kids Fun Activity Books Series)

Synopsis

Solve the dot-to-dot puzzle, and reveal a picture ready to color! With 30 fun puzzles to solve, developing a 'learning is fun' habit comes easy, and the slim size is great for packing into backpacks and luggage. Each puzzle labels the dots with numbers and focuses on developing sequencing and eye-hand coordination. These skills will help prepare preschoolers for school. Once they connect the dots correctly, kids can reward themselves by coloring in the picture they helped create.
